Lobby Your MP For Tibet

1950 To 2018: 68 Years Of Tibetan Resistance To China's Tyranny

As Tibetans continue to struggle for their national independence and cultural survival it's important as ever to call upon Governments to recognize the political aspirations of the Tibetan people.

Take A Stand With Tibet

It is also very helpful to ensure that your MP understands that Tibet was an independent nation, which has been illegally occupied.

Two Important Actions That Can Really Help

Contact your MP via this link:

<https://www.writetothem.com/>

Send them this document link on the facts about Tibet's independence:

Request your MP to ask the following question to Mr Boris Johnson, Secretary Of State For Foreign And Commonwealth Affairs

'Will the Secretary Of State acknowledge that Tibetans inside Tibet are protesting against Chinese rule and, as well documented media and eyewitness reports testify, are demanding independence?'

Thanks for your support.
