As Tibetans continue to struggle for their national independence and cultural survival it remains critically important to remind governments and political representatives about the political aspirations of the Tibetan people.

Take A Stand With Tibet

Does your MP know that Tibet was an independent nation, which has been illegally occupied?

Two Online Actions That Can Really Help

Contact your MP via:

<https://www.writetothem.com/>

Send them this document link on the facts about Tibet's independence:

Please request your MP to submit this written question to Mr Jeremy Hunt Foreign Secretary:

'Will the Foreign Secretary acknowledge that Tibetans inside Tibet are protesting against Chinese rule and, as well documented media and eyewitness reports testify, are demanding independence?'
