It remains critically important to remind governments and political representatives about the political aspirations of the Tibetan people.

Take A Stand With Tibet

It is unlikely that your MEP knows that Tibet was an independent nation, which has been illegally occupied

**Please request your MEP to submit this written question to Mr Josep Borrell,
Union Minister for Foreign Affairs**

'Will the Union Minister for Foreign Affairs acknowledge that Tibetans inside Tibet have long protested against Chinese rule and, as well documented media and eyewitness reports testify, have the political aspiration of Tibet's independence?'
